

Change to the Rules made since approval by Council on 14 February 2005

In accordance with By-law (Chapter 4, clause 47) I amend the Rules approved by Council on 14 February 2005 as follows (new text underlined, text deleted ~~struckthrough~~)

1. Schedule 1 Definitions

Rules refer to 'registers' held by the University, but the word 'register' is not included in the Schedule of Definitions.

Definition of 'register' to be added as follows:

register means a formal or official collection of items of information in either hardcopy or electronic form and which has been designated by the University as being for a specific and defined purpose
